

Industry Presentations Guidelines

Goal

Industry Presentations are intended to allow Patrons to give a technical, non-commercial, presentation on a topic of their choice, fitting the area of the conference, under a unified theme.

Proposal

The proposal for an Industry Presentation should follow the template, available at the conference website (<https://globecom2023.ieee-globecom.org/authors/call-industry-presentations>), indicating the following information:

- Speaker's Name
- Speaker's Organisation
- Speaker's Email
- Speaker's Phone Number
- Speaker's CV
- Speaker's Photo
- Industry Presentation Title
- Motivation and Background
- Content

The information should be sent via email to Industry Forums & Exhibitions Co-Chairs and Industry Presentation Co-Chairs at gc2023-industry-presentation@comsoc.org, as a *.DOC attachment.

Structure

An Industry Presentation should be given by a Speaker to be defined by the Patron. Preferably, there should be only one Speaker.

Papers

Industry Presentations are not required to be based on papers, being possible to be just a presentation (based on PowerPoint or any other tool).

Schedule

Industry Presentations Sessions will be held during the conference programme, in parallel to other technical sessions, including industry ones.

Duration

An Industry Presentation should extend for 30 minutes and will be shared with presentations from other Patrons in a Session.

Industry Presentations Sessions extend for a conference time-slot, i.e., 1h30.

Session Format

The conference is aimed at in-person attendance, hence, Speakers at Industry Presentations are expected to participate in person as well.

Presentations should be uploaded to a local computer prior to the beginning of the session, being given live at the session.

Public information

The following information will be made public:

- Speaker's Name
- Speaker's Institution
- Speaker's CV
- Speaker's Photo
- Industry Presentation Title
- Motivation and Background
- Content

Registration

It is expected that the Speaker giving the Industry Presentation will be one of the complimentary registrations to which the Patron is entitled to.
